Dear Sir/Madam:

The Brigman Company is conducting an environmental site assessment of the above-referenced property. As part of the assessment, we are requesting that your office perform a records search to identify files of environmental concern that your office may have regarding the subject property or nearby properties. In addition to hazardous material incidents, we would like to know if your office has information regarding underground storage tanks, wells and/or septic systems located on the property.

If files are located for this property, please contact me so that I may schedule an appointment for a file review or request copies of essential information. If there are none, kindly advise me in writing. Research charges in the amount of \$25.00 per FOI request will be paid promptly if applicable. Please notify me if any other charges may apply or requires research beyond that scope of payment is required.

Thank you for your time and attention to this matter and please do not hesitate to contact me at **843-248-9388** if you have questions or would like additional information.

Sincerely,

Jill Feldner  
Project Manager
